I am eternally grateful to Mr. Clough for teaching me not just how to be a good actor, but also a lot about myself, because he inspired me to keep thinking outside of the box and pushing my limits. I'll apply what he has taught me in everything I do. There aren't enough words to describe how Mr. Clough gave me true freedom of expression.

Bruce Clough is a seasoned professional and is one of the best teachers that I have ever seen at creating a safe environment where talent can be nurtured and skill can be refined without any fear of judgment. He cares deeply about each and every one of his students, and will work tirelessly to give them the most comfortable and productive experience possible. He equips growing actors with the tools they need to be ready to step into the professional world of Show Biz.

Bruce Clough, one of the best teachers I've ever had, not only taught the true principles of acting, but he was a mentor in and out the classroom. To be a true teacher, a teacher must connect with their pupils academically and personally. Mr. Clough did exactly that.

Brendan Peart

undermast@aim.com

Mr. Clough taught me so much, but he is no "conventional" teacher. He doesn't just spit out the rules of acting from some book. He teaches from experience. He didn't just improve my stage fright or my acting, he improved my life. Mr. Clough taught me how to speak up for myself.

Saachi Khanna
